Joseph Miller - Laxapr prometheziene / insur be back in 45?..
manic ? hert cond.

8/14 'your attorneys hoe', 'hi I'm Liz', I thought you were megan ... playing games w/ me, 'you wont take medication?' - told not to trust you - agreement was to go to good Sam - so it's megan who has tattoo? dunno how I mixed that up ... 'do you know what this is?' beep 'no they have a lot of things in here', sorry it's taken so long ... Liz the lying lizard ... No actually ~~[illegible]~~ part of the agreement involves taking medication and I'd like to know more about it, what it's made up of, self sustain w/ out natural remedies - and to be able to talk to someone about what I'm experiencing ... (laxapro no send? - common med ... seems so ..
been 3 weeks since referral ... says 'I'm still going? just takes awhile?
Cant trust Liz - CANT TRUST ANYONE -

No I dont work here I work for Benton County Mental Health
... yeah thats what I meant, I dont trust BC - I'm waiting to go to Good Sam
Before Christ, Before Truth to talk more than once a week shut
No accountability in cell.
Bent on corruption...
